2. The Trustee, the Debtor (as directed by the Trustee), and the Non-Debtor Party shall perform any other or further acts, and execute and deliver, including by electronic means (*e.g.*, any regulatory agency's online portal or other electronic platform), any other or further documents and instruments, including, but not limited to, regulatory forms and/or applications, transfer forms and/or applications, consents, recordings, and filings as may be necessary or appropriate to implement this Order.
